3. Both teams must field at least seven (7) ball players, (4) male (3) female to constitute an official game; nine (9) players standard ** When only playing with three (3) females an out will be recorded for the fourth female batting position in the lineup.

8. When a game is stopped before the completion of the 4th inning due to inclement weather, the game will be rescheduled except if in the bottom of the 4th inning when the home team is ahead in score. When a game is stopped in the middle of an inning due to inclement weather, injury or violation of code of conduct, the final score would revert back to the previous completed inning.
9. Mercy Run rule – game will end when a team is ahead 15 runs after five (5) innings.
10. A league game ending in a tie at the end will be recorded as a tie. A point system will be used to determine standings as follows; League standings and post-season pairings are based on:

14. A pitcher can only pitch from any rubber that is visible. The pitcher must have at least (1) foot on the rubber at the time of release.
15. Each batter is limited to three (3) pitches.
16. The batter is automatically out if the pitcher touches the ball when the ball is in play after a fair hit.
17. All players must remain in the dugout or behind the playing line (not including the on deck batter).

Late Add-On's must be a straight substitution - 1 for 1, gender for gender.**
23. The ball must be thrown to the pitcher by an infielder. Once the infielder controls the ball, the ball is dead, no runners can advance. If the ball is thrown to the pitcher by an outfielder, the pitcher is not obligated to catch it and runners may advance at their own risk.
